

7:240 HIGH SCHOOL CODE OF CONDUCT

STATEMENT OF PHILOSOPHY The Board of Education recognizes that participation in school activities is a privilege. Students participating in sports or extracurricular activities are expected to be an honorable representative of District 303 at all times in appearance, language, conduct and attitude. District 303 strongly discourages students from attending parties and other functions where behavior may jeopardize their individual, team, or organization's reputation. Any violation of the Code of Conduct may result in permanent removal from team/group membership.

The *privilege* of team membership brings with it many commitments with regards to participation, loyalty, attendance and adherence to a set of rules as established in the Code of Conduct.

In addition to the conditions set forth in the Code of Conduct, it is assumed that student signatures also imply that they will conduct themselves in a manner that reflects outstanding character and citizenship. Behavior that violates the principles of either trait could be cause for review by the Head Coach/Advisor and could result in a recommendation to the Athletic Director/Assistant Principal for Student Activities for immediate termination of team/group membership.

Signatures of the Code of Conduct are required for participation in extra-curricular activities and athletics. The signing of the Code of Conduct will remain in effect for one full calendar year.

Decisions regarding penalties for code violations rest with the Athletic Director and/or the Assistant Principal for Student Activities.

Based on the above the following expectations are that:

- 1 Participants shall not possess, actively seek, solicit, supply or be under the influence of tobacco, alcohol, steroids, illegal drugs, look-alike drugs, or possess drug-related paraphernalia. (Category A)
- 2 Participants shall practice good citizenship in all environments respecting the property and the rights of others. (Category B)

Participants are held accountable for rules outlined in the Code of Conduct as well as by the coach/advisor.

VIOLATION PENALTIES

Once verified through a police report/arrest, dean's referral or a voluntary admission, a conference including the student and parent(s) will be conducted to discuss the infraction and its impact on all team/group participation with the Athletic Director and/or Assistant Principal.
