TEACHERS

If you are struggling with a class, don't ever hesitate to take the time to talk with your teacher. Take control of your learning, and ask the necessary questions to make sure you know what to do and how to do it.

COUNSELORS

Your counselor is a great source of information and guidance when you are struggling with learning. Counselors have a wealth of experience and knowledge—many were also teachers at one time.

ACADEMIC SUPPORTS FOR STUDENTS 2016-2017

During the school year, you may find you need some help with one or more of your classes. If so, we have many supports in place to give you the help you need.

NHS—PEER TUTORING

100s pod

Returning for another year of great help from your fellow students is National Honor Society tutoring on *Wednesday nights from 6-8 PM.*

Come down to the 100s pod on Wednesday nights to get help on homework, test and quiz preparation, and help with your overall academic organization. The unique qualities of NHS tutoring include experienced and trained fellow students who provide the tutoring, with computers and textbooks available for your use while you are there.

WRITING CENTER

Room 104

Need writing help in any subject?

*Understanding assignments

*Getting a main idea *Drafting *Revising *Editing

Visit the Writing Center during periods 4, 5, 6, 7 or 8.

No pass needed. Go directly to Writing Center; no need to check in with study hall.

Attendance will be excused.

Students can also submit writing online to Jennifer.shoaf@d303.org

ENGLISH

Thursdays in LRC

After-school tutoring is offered through the National English Honor Society from 2:30-3:15.

TUTORIAL PERIOD

A school-wide intervention held every other Wednesday for 30 minutes to provide additional learning support for students. Based on individual need, students may be assigned to a specific session. Students may also choose to drop in to a session.

MATH

Peer tutoring is offered to all math students by Math Natl Honor Society members on Early Release afternoons in the LRC from 1:40-2:40.

MATH LAB

Room 102

Get help on any kind of math question or assignment. Math lab is open during 4th, 5th, 6th and 7th periods on Mondays, Wednesdays and Fridays.

SPANISH TUTORING

Tuesdays in LRC from 2:30-3:15

GERMAN TUTORING

Thursdays in M484 from 2:30-3:30

Tutoring is run by the Spanish and German National Honor Society students.

Come for help with new material that you have been presented with in class or to study for a test or quiz. Tutors can help you with speaking, listening, vocabulary, grammar, conjugation, translation, and more.
