Dear Parent/Guardian,

The Saint Charles high schools collaborate to determine high school course placement recommendations in Mathematics, English, Science, Social Studies, and Foreign Language for eighth grade students based upon seventh and eighth grade grades, PSAT 8/9 scores, and eighth grade teacher recommendations.

You are cordially invited to St. Charles North High School on Thursday, January 11, 2018, when we will host our **Future Freshman Curriculum Night**. The purpose of this special evening is to provide you and your student with important curricular information and an explanation of the registration process for incoming freshmen. A St. Charles North Counselor will meet with assigned students and parents to review the registration process. Please refer to the included agenda to determine which session you should attend as each counselor will present to their families. You will also have the opportunity to peruse our Curriculum Fair in the LRC and converse with teachers about courses and curriculum. Finally, you will have the opportunity to walk through our building to tour many specialized classrooms.

All current eighth grade students will be selecting their courses for next year in Career Cruising. Each student has been provided a login and password by the middle school. Following Future Freshman Night Middle School and High School counselors will be meeting with all middle school students (during the week of January 16, 2018 through January 18, 2018) to finalize and "submit" their freshman course selections. Your student will select elective courses, which also count towards graduation. Please start having conversations with your student about the courses they will be choosing in Career Cruising. Course listings and descriptions about all of the courses can be found in Career Cruising or online in the *Course Offering Book and Planning Guide* at north.d303.org.

Since this program represents your first official visit as a St. Charles North student and parent, we are looking forward to seeing you and welcoming you to our community of learners. Your participation is essential in developing an overview of the scope of programming at North High School, and will provide a foundation for a smooth transition to high school.

Also included in this packet is information on our **Future Freshmen Athletic and Activity Information Night** which is on Wednesday, February 7, 2018, at 7:00 pm.

Thank you for your timely attention to this high school registration process.

Jim Richter (East) and Renee Reynolds (North)
Assistant Principals for Instructional Programs

Matt Gill (East) and John Peters (North)
Assistant Principals for College and Career Readiness
