From the Deans' Office:

The Driver Education Range will be closed from October 5 to October 28. Junior students who park in the Driver Education Range must park in the gravel lot located on the northwest corner of Rt. 31 and Red Gate Rd. To park in the gravel lot, junior students must display that day's valid junior parking pass and use the sidewalk and crosswalk to get to campus. Students who park illegally in the junior lot, who drive recklessly, or who do not make use of the crosswalk and sidewalk for safe passage risk losing parking privileges. Please encourage your student to budget time in the morning to allow for the added walk time to campus.

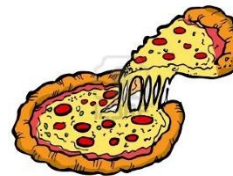

PTO NEWS

Pizza with the Principal: (A special campaign developed to continue to strengthen the school environment)

Pizza with the Principal proved to be such a successful program last year that it's back, bigger and better. This program allows Mrs. Christenson to meet with different groups of students for lunch to discuss what is new in and around the school. Local businesses provide the pizza for FREE to support our community efforts! Ten students met with Mrs. Christenson last Tuesday during 5th period for this year's first Pizza with the Principal.

The PTO would like to thank Kevin at Wise Guys Pizzeria in South Elgin for donating the pizza last week to support our students and our North Star community.
